Come and celebrate all that's best about Marylebone for a fun filled weekend with shopping, eating and dancing!

Cabbages & Frocks, the unique lifestyle and fashion market, will play a big part in the Marylebone Summer Fayre weekend. The festival will consist of two days of summer fun with a full street party on Marylebone High Street on Sunday 18 June.

Why not visit Cabbages & Frocks market on Saturday to get first pick of the best food, fashion and accessories in London. The fashion side of the market supports up and coming designers' and artisans' creations. Tailored jackets by Gabriela Rose in hot summer colours are very popular. Do see the original vintage Hermes scarves from Susan Freeman. Other stalls include individual luxurious jewellery handcrafted by Ana Verdun in her studio in West London or vintage clothing labels including names like Mary Quant and Valentino to name but a few. Follow your nose to Maya Njie Perfumes, a London based brand with scents like Nordic Cedar and Tobak. You will not be able to resist the stylish once-used designer handbags from Gucci or Fendi and other well-known Italian and French labels.

Cabbages & Frocks is the place not only for fashion but also for specialist food items. Take home some artisan Italian pecorino cheese from Italian True or some scrumptious cakes from Crumb de la Creme. Cardabelle Design will add style to your home with kitchen accessories and soft furnishings.

Stroll down to Paddington Street Gardens on Saturday at 5.30pm to watch the open-air screening of Coen Brothers' classic film 'The Big Lebowski'. There will also be live jazz and a festival bar.

On Sunday 18 June Cabbages & Frocks market will join the street party from 11- 5.30pm in the High Street and the surrounding areas of Marylebone Village. Enjoy stalls in abundance and alfresco eating all day long. Dance enthusiasts can follow the jive routine with Jive Nation in Devonshire Street or have a salsa lesson in New Cavendish Street. Have family fun in the sports area in Marylebone High Street and test your football skills. For the little ones head down to Moxon Street car park for a huge fairground with all the rides to bring smiles to their little faces. The High Street restaurants will be offering sizzling summer dishes.

The Marylebone Summer Fayre Weekend is pleased to be supporting COSMIC (Children of St Mary's Intensive Care) and their More Smiles Appeal for the second year running.

Cabbages & Frocks is a favourite market for fashion folk and their foodie friends, to visit time and time again! Open every Saturday 11-5pm.
